Protector, I am deluded by ignorance and so have broken and spoiled my sacred vows. Guru, lord protect me! I take refuge in the foremost Vajradhara, the quintessence of great compassion, the leader of all living beings. I confess all transgressions of the root and branch vows of body, voice and mind. Cleanse and purify me, I pray, of all accumulated sins, obscurations, faults, failing, and impurities.

**Ge wa di yi nyur du dak / dor je sem pa drub gyur ne / dro wa chik kyang ma lu pa / de yi sa la go

By the merit of this, may I swiftly reach the stage of Vajrasattva and place then upon that stage all beings without exception.

OM VAJRA BHUMI AH HUM. The ground is completely pure, a foundation of mighty gold. OM VAJRA REKHE AH HUM. Around, a perimeter of mountains; in the centre, HUM! the king of mountains, Sumeru. To the east, Purva Videha, to the south, Jambudvipa, to the west, Arapagodaniya, to the north, Uttarakuru, the sun and moon, and the splendour of devas and humans in abundance without lack; All this I offer to the incomparable glorious guru, essence of the buddhas of the three times in order to receive the profound initiation. Through compassion, please accept it for the sake of living beings. Having accepted it, grant your blessings!

The Sevenfold Prayer

Recite 3 times:

Kon ch'og sum la dag kyap ch'i / dig pa t'am che so sor shag / dro we ge la je yi rang / sangye jang ch'ub yi kyi sung / sangye ch'o dang ts'og ch'og la / jang ch'ub bar du kyab su ch'i / rang shen don ni rab drub ch'ir / jang ch'ub sem ni kye par gyi / jang ch'ub ch'og gi sem ni kye gyi ne / sem chen t'am che dag gi dron du nyer / jang ch'ub cho ch'og yi ong che par gyi / dro la p'en ch'ir sangye drub par shog //

In the Three Jewels I take refuge and before them reveal all wrongs I have done. I rejoice in the virtues of living beings and keep in my heart remembrance of the Buddha's enlightenment. Until I, too, have attained Buddhahood, I rely upon the Enlightened One, His Teachings, and exalted Assembly. I am resolved to become a Buddha in order to bring about my own and others' wellbeing. Awakening thus this aspiration to supreme liberation, I invite all beings to share in my spiritual career. May I accomplish all the wondrous deeds of a Bodhisattva and win enlightenment for their sake.
